AT TIME OF REGISTRATION: The first tuition installment (September 2024), the last tuition installment (June 2025), and a \$25 Annual Registration Fee (per household) are due at time of enrollment to secure your child's spot.

The \$25 Registration Fee is non-refundable, and the last tuition installment is non-refundable after November 1, 2024.

If classes are added during the dance season, the last tuition installment will be adjusted accordingly, and is due before admittance to added classes. A valid registration including payment, and all signed forms are required to guarantee a spot in the class.

INITIAL _____

TUITION PAYMENT POLICY: Tuition can be paid by Cash, Check, Venmo, or Credit Card. A credit card can be placed on file and will be charged for any open account charges that come due including but not limited to tuition, costumes, clothing, shoes, etc. Tuition is charged on the 1st of each month from October through May.

Accounts with open tuition balances past the 10th of the month are charged a \$10 late fee *per month until balance is paid in full.*

Monthly tuition installments **DO NOT** vary with short or long months or anticipated vacations since they are calculated on a yearly basis and are conveniently divided into 10 monthly installments. Make up classes are available should your dancer need to make up a missed class. Make up classes are offered from September 7, 2024, through March 15, 2025, as each class learns different Recital choreography.

In cases of a declined or expired credit card, we will attempt to notify you via any means provided to us on the dancer's registration form.

However, it is your responsibility to contact our office with any credit card changes or your account will be subject to a \$10 *per month* late fee until your balance is paid in full. Checks returned to us by our bank for any reason will accrue a \$35 service charge.

We currently **DO NOT** accept American Express Credit Cards and appreciate your flexibility.

If an account balance is carried more than 30 days, SKDP reserves the right to terminate the dancer's enrollment in any class. I permit Studio K Dance Project LLC (SKDP) to charge my credit card in accordance with the above stated policy. I certify that I am of the authority to authorize these transactions on the credit card left on file. I understand and accept the Studio's tuition payment policy. I understand that I am committing to an entire season and that my dancer will participate until June 14, 2025.

INITIAL _____

RECITAL COSTUMES: If a dancer is NOT dancing in our 2025 Recital, it must be noted at the time of registration. Recital costumes are required if your child is performing in our 11th Annual Dance Recital which is held in early June. The costume payment is broken into two installments for your convenience. The first costume installment of \$55 per costume is due on November 15, 2024 (half of costume total); the final installment is due on January 15, 2025 (costume balance). Costumes for the 2024-2025 dance season are \$110 per costume and include all accessories and tights.

Costume payments are NOT refundable for any reason once the first payment is made on November 15, 2024.

Costumes are not fully ordered without payment. If full payment is not received by January 15, 2025, we cannot guarantee a dancer a costume in time for pictures and/or recital. Late fees of \$15 per costume will be incurred if payment is received after the final installment due date; all additional expenses incurred by SKDP for costumes with payments received after final installment due date will be passed on to parent/guardian of the dancer. Late payments of *final installment only* will be refunded if costume can no longer be ordered. Dancers without a costume cannot participate in pictures or June's recital. **Any alterations are to be completed and at the expense of the parent/guardian. If the costume does not fit, there will be a \$25 exchange fee. We cannot guarantee the next size will come in on time.**

Costumes will only be distributed when total account balance is paid in full and tuition is paid through March; if payment for an account balance is remitted by check for costumes, the check must clear before costumes are released or another method of payment must be given. Costumes will not be distributed without the proper dance shoes. I understand the Studio's costume policy.

INITIAL _____

DANCEWEAR & SHOES FOR CLASS: Studio K Dance Project does not require a specific uniform, but please make sure your dancer has the proper attire and shoes for class each week. **Intro to Dance and Ballet & Tap Classes ages 18 months – Age 10:** Dancers should wear a leotard or ballet dress and tights as well as pink Ballet shoes and White Tap shoes. **All Contemporary Ballet & Tap classes ages 10+:** Dancers should wear a leotard and tights/leggings/shorts as well as pink Ballet shoes and black Tap shoes. **All Hip Hop & Acro classes:** Dancers should wear dark leggings, tank top and black Hip Hop sneakers. **Musical Theater Performance Class:** Dancers should wear a leotard and tights/leggings and black jazz shoes.

If your dancer has shoes that are not the correct color for the recital, you will be required to purchase the proper shoes by March 15, 2025. Costumes will not be distributed until dancers have the proper shoes. I understand the Studio's dancewear and shoe policy.

INITIAL _____

CANCELLATION POLICY: A dancer may withdraw from a class by notifying Miss Katherine in writing prior to the beginning of the month. Cancellation must be presented in writing before the 1st of the month, or you will be responsible for the next month's tuition payment. The \$25 Registration Fee is non-refundable, and the last tuition installment is non-refundable after November 1, 2024.

I understand and accept the Studio's cancellation policy.
